AT15 SLIM.T10

The AT15 Slim T10 is an innovative, all-in-one point-of-sale (POS) system designed to elevate the checkout experience with its advanced functionalities and refined design. With integrated NFC technology for digital and contactless payments, this dual-screen Android POS terminal is the ideal solution for retail stores, restaurants, beauty salons, and service businesses that want to combine efficiency, flexibility, and modern design.

- ✓ Ultra-slim frame with a lightweight yet durable structure, perfectly suited for elegant and minimalist environments.
- ✓ 15.6" Full HD touch display with high brightness, ensuring excellent readability even in low-light conditions.
- ✓ 0.1" customer-facing touch display with integrated NFC reader, enabling seamless contactless payment acceptance.
- ✓ Powerful Octa-Core processor delivering speed and performance for demanding retail and hospitality operations.
