

DVA 1210

Designed with refined aesthetics and advanced functionality, the DVA1210 POS combines an ultra-slim 15.6" Full HD touch display with exceptional performance. Its sleek bezel and modern widescreen format make it the perfect solution for retail, hospitality, and foodservice environments, where style and efficiency go hand in hand.

Thanks to its innovative fanless cooling system and die-cast aluminium structure, the DVA1210 guarantees long-lasting durability, system stability, and seamless operation—even during peak workloads.

- ✓ Elegant ultra-thin 4.8 mm bezel
- ✓ 12th Gen Intel® Core™ i3-1215U processor for outstanding performance
- ✓ Fanless heat dissipation for quiet and reliable operation
- ✓ Sturdy die-cast aluminium frame ensuring superior durability
